**Charges:**

1. **Create and oversee three subgroups that include X-ray, Radioactive Materials (RAM), and Emergency Response (ER) to evaluate training needs and develop resources. The Training Committee will review all task force recommendations and report to the board.**
2. **Facilitate growth opportunities for Health Physics skills by identifying educational opportunities for Radiological Program Staff.**
3. **Develop a training toolbox to be located on the CRCPD website by December 31, 2026. Maintain the toolbox by incorporating new training materials and resources as they become available.**

Note: When a Letter/Number combination appears in brackets after a charge, it denotes how the charge links to CRCPD's Goals and Objectives, as listed in [CRCPD's Strategic Plan](#).
