Charges:

1. Create and oversee three subgroups that include X-ray, Radioactive Materials (RAM), and Emergency Response (ER) to evaluate training needs and develop resources. The Training Committee will review all task force recommendations and report to the board.
2. Facilitate growth opportunities for Health Physics skills by identifying educational opportunities for Radiological Program Staff.
3. Develop a training toolbox to be located on the CRCPD website by December 31, 2026. Maintain the toolbox by incorporating new training materials and resources as they become available.

Note: When a Letter/Number combination appears in brackets after a charge, it denotes how the charge links to CRCPD's Goals and Objectives, as listed in [CRCPD's Strategic Plan](#).
