**Charges:**

1. Develop additional specific training modules prioritized according to the categories of radioactive material licensees and types of x-ray machines.
2. Complete two modules each year to be presented to the Board at the respective Annual Conference.
3. Begin development of a 'training tool box' for the CRCPD members only web site, establish a list of training links by topical areas by December 31, 2023, and continue to expand links available from no charge online training webinars and other resources in the public domain.

Note: When a Letter/Number combination appears in brackets after a charge, it denotes how the charge links to CRCPD's Goals and Objectives, as listed in CRCPD's Strategic Plan.
