Charges:

1. At the request of the Steering Committee, review and comment upon both the content and planned compatibility designations of proposed rules of federal agencies affecting the Part in the group's purview. [G1 - O3, O4]
2. At the request of the Steering Committee, review proposed regulatory initiatives in the early development at the federal level and provide an analysis to the states through OED. The analysis is to include the appropriateness of the proposed compatibility designations, particularly those with Health and Safety significance. [G1 - O3, O4]
3. As directed by the Steering Committee, review and update existing CRCPD Suggested State Regulations for Control of Radiation pursuant to parallel rulemaking process and rules of federal agencies; continue updating existing and developing new regulations deemed necessary because of new technical developments. [G1 - O2, O4]

Note: On all Fact Sheets, the Letter/Number combinations that appear in brackets after each charge denote how the charge links to CRCPD's Goals and Objectives, as listed in [CRCPD's Strategic Plan](#).
