## **CRCPD Working Group Fact Sheet**

---

### **G-76 Use of Artificial Intelligence in Radiation Protection**

**September 2024**

#### **Charges:**

The Conference of Radiation Control Program Directors (CRCPD) charges a working group to explore the use of artificial intelligence (AI) in radiation protection. This working group will be comprised of CRCPD members and resource representatives from federal agencies with relevant expertise.

#### **General Charges**

1. Conduct a thorough literature review of current research and development in the field of AI in radiation protection.(G1,O3), (G5,O1)
2. Consult with experts in the field of AI and radiation protection, including but not limited to researchers, practitioners, and stakeholders.(G1,O3), (G5,O1)
3. Share knowledge and insights among working group members and solicit feedback from CRCPD members and federal agencies. (G1,O3),(G5,O1)

#### **Specific Charges:**

1. Identify potential applications of AI in radiation protection, including but not limited to radiation detection, monitoring, and assessment. (G1,O3),(G5,O1)
2. Assess the benefits and risks of using AI in radiation protection, including implications for public health and safety, regulatory compliance, and resource allocation. (G1,O3),(G5,O1)
3. Evaluate the current state of AI technology and its potential for advancement in the field of radiation protection. (G1,O3),(G5,O1)
4. Develop recommendations for the responsible use of AI in radiation protection, including guidelines for data privacy, transparency, and accountability. (G1,O3), (G1,O5),(G5,O1),
5. Developing a report summarizing the group's findings and recommendations and present the report to CRCPD and relevant federal agencies. (G1,O3), (G1,O5),(G5,O1)

#### **Timeline:**

The working group is expected to complete its work within 12 months of its formation. The group should provide interim progress reports to CRCPD and relevant federal agencies as needed.

Note: When a Letter/Number combination appear in brackets after a charge, it denotes how the charge links to CRCPD's Goals and Objectives, as listed in [CRCPD's Strategic Plan](#).

If interested in serving on this working group, contact the Chairperson at [Boris.tsenov@doh.wa.gov](mailto:Boris.tsenov@doh.wa.gov).
