

# Fact Sheet for the John C. Villforth Lecture Series

Nomination information is to be submitted no later than October 18, 2024, for the 2025 Annual Meeting

<p><b>Purpose of the John C. Villforth Lecture Series:</b></p>	<p>To honor Mr. Villforth’s steadfast support of state radiation control agencies as a working partner with the Food and Drug Administration/Center for Devices and Radiological Health in the protection of the American people from unnecessary exposure to electronic product radiation, radioactive materials (especially radium), and protection of the environment from radioactive contamination, as well as his strong support of the CRCPD in its early years of development.</p> <p>Mr. Villforth has long recognized the capacity of state radiation personnel to make valuable contributions to the success of national programs to protect the public health of our citizens. The CRCPD has the utmost respect, admiration, and appreciation for the unceasing friendship and support Mr. Villforth has extended to our organization and state radiation control programs over his many years of public service. With this lecture series, the CRCPD pays tribute to a man with impeccable integrity, a person with outstanding leadership credentials, and a giant in the field of radiological health.</p> <p>For more information on John Villforth, refer to <a href="#"><i>A Legacy of Leadership</i></a>.</p>
<p><b>When and where:</b></p>	<p>A major activity of CRCPD is its Annual Meeting, the National Conference on Radiation Control. This meeting is designed to provide the participants with the most up-to-date information on the constantly changing radiation protection issues. It is the tradition of CRCPD to recognize dignitaries and special guests during the opening session of the Annual Meeting. It is in this meeting segment that time will be reserved for a speaker to present the John C. Villforth Lecture.</p> <p>This meeting is held in a different location each year. The upcoming meeting site is:</p> <p style="text-align: center;"><b>Westin La Paloma Tucson, Arizona May 19-22, 2025</b></p>
<p><b>Lecturer Award:</b></p>	<p>In recognition for being selected to present the John C. Villforth Lecture, CRCPD will pay the travel expenses and per diem (in accordance with CRCPD Policies and Procedures) for the individual to present the lecture at the CRCPD meeting. In addition, the individual will be awarded a special plaque commemorating their participation in the Lecture Series.</p>
<p><b>Who can nominate an individual:</b></p>	<p>&lt; An organization having an interest in radiation protection can nominate an individual. If an organization is submitting a nominee, contact information for the organization needs to be provided in addition to the information on the nominee.</p> <p>&lt; Individuals can nominate themselves or another individual.</p>
<p><b>Nominee background:</b></p>	<p>The nominee should have working experience and knowledge relating to protection of the public, the worker, and the patient from unnecessary radiation exposure, and/or protection of the environment from contamination from radioactive material. Typical backgrounds of individuals who would likely be</p>

# Fact Sheet for the John C. Villforth Lecture Series

Nomination information is to be submitted no later than October 18, 2024, for the 2025 Annual Meeting

	<p>nominated include health physics, radiation physics, radiation program management, protection of the environment from radioactive contamination, and radiologic technology. Ideally, the candidates should have demonstrated a major commitment or made a notably positive contribution to the goals and objectives of the CRCPD.</p>
<p><b>Lecture topics:</b></p>	<p>The substance of the lecture should be highly relevant to contemporary radiation protection challenges facing government regulators, product manufacturers and users, and the general public, drawing from the lecturer’s broad technical and historical experiences.</p> <p>Lectures should be topically relevant to the mission of the CRCPD and its constituents. CRCPD’s mission is to promote consistency in addressing and resolving radiation protection issues, to encourage high standards of quality in radiation protection programs, and to provide leadership in radiation safety and education.</p>
<p><b>Selection criteria:</b></p>	<p>The Annual Meeting Technical Planning Committee will base their recommendations on the following criteria: (1) the topic addresses a subject that has sufficiently broad interest to CRCPD meeting attendees; and (2) the topic increases an understanding about technically or scientifically complex radiation problems or promotes a useful dialogue about a policy or action that will impact the work of state and federal radiation control programs.</p>
<p><b>Selection process:</b></p>	<p>The Technical Program Planning Committee will select no more than three nominees to submit to the Board of Directors. Selection of the speaker for the John C. Villforth Lecture will be made by the CRCPD Board of Directors.</p> <p>The Office of Executive Director will notify in writing the speaker selected for the John C. Villforth Lecture.</p>
<p><b>What should be submitted:</b></p>	<p>A completed Nomination Form, along with an abstract of the proposed lecture.</p>
<p><b>Submission date:</b></p>	<p><b>October 18, 2024 for the 2025 Annual Meeting.</b></p>
<p><b>Nominations and inquiries should be directed to:</b></p>	<p>Mendy Cremeans, Executive Office Manager          Conference of Radiation Control Program Directors, Inc.          201 Brighton Park Blvd., Suite 1          Frankfort, KY 40601</p> <p>Tele: 502/227-4543, Ext. 2225          E-mail: <a href="mailto:mcremeans@crcpd.org">mcremeans@crcpd.org</a></p>
