Subject: Announcement of the Next CRCPD Executive Director

Dear CRCPD Members,

On behalf of the Conference of Radiation Control Program Directors, I am pleased to announce that effective July 1, 2025, Lisa R. Bruedigan will be CRCPD's new full-time Executive Director. Lisa will replace Ruth E. McBurney, who has served in that position since January 2007. Lisa brings over 43 years of experience in radiation protection to the CRCPD. Lisa worked in private industry for 15 years and for the past 28 years for the great state of Texas.

Lisa has always been a strong supporter of the CRCPD. She is currently serving as Chair of the CRCPD Board of Directors. Lisa also served on the CRCPD Board as Treasurer from 2020 to 2023 and Member-at-Large from 2012 to 2015. She earned recognition for her significant achievements from CRCPD receiving Gerald S. Parker Award of Merit in 2024, for significant contributions in radiation protection and the James W. Miller Award, CRCPD in 2016.

Please join me in congratulating Lisa and help me welcome her to the CRCPD's Office of the Executive Director family. We look forward to the leadership and vision that Lisa will provide to the membership in her new role as Executive Director. I am confident that Lisa will continue to carry on the tradition of strong support for state radiation control programs and all our partners dedicated to radiation protection.

Best Regards,
