Charges:

The Conference of Radiation Control Program Directors (CRCPD) charges a Task Force to identify and assign the development of a comment document in response to the NRC rule proposals related to Executive Order 14300. The Task Force will direct groups to gather information and synthesize a response document as well as manage and track progress of assigned tasks. This working group will be comprised of CRCPD members and resource representatives from federal agencies with relevant expertise.

CRCPD Working Group Fact Sheet

G-80 Task Force to Address NRC Rulemaking

August 2026

Specific Charges:

1. Carefully review the NRC proposed rules related to Executive Order 14300 as they are made public, assess potential impacts, and identify existing CRCPD committees or task forces that will develop comments.
2. Assign development of comments on proposed rulemaking to specific Committees or Task Force Chairs. Set deadlines for comment submittal that provides sufficient time to review and combine with other working groups involved with the review.
3. Establish clear reporting mechanisms to monitor progress, evaluate effectiveness, and provide regular updates to the CRCPD Board on progress.
4. Consolidate comments received from Committees and Task Forces into a single document ensuring a unified organizational response for the CRCPD Board's approval.

Note: When a Letter/Number combination appear in brackets after a charge, it denotes how the charge links to CRCPD's Goals and Objectives, as listed in [CRCPD's Strategic Plan](#).

If interested in serving on this working group, contact the Chairperson at Tanya.ridgle@cdph.ca.gov and Joann.harthcock@dshs.texas.gov.
