

## Why do we need to have Radiation Training?

- ☠️ The United States has extensive borders and coastlines.
- ☠️ The United States has 45 major metropolitan areas.
- ☠️ The United States has 1000 international, domestic and private airports and water ports.
- ☠️ The United States is a popular destination for international travel.
- ☠️ The United States is home to many large, public, special events and 104 nuclear power plants.
- ☠️ All of the above could be targeted by the many groups and individuals who wish to harm the United States.

Be Prepared,  
Be Trained, &  
Be Ready to Respond  
by

Being a Member of the  
Florida Medical Reserve Corps  
Network

Volunteers are needed to support a coordinated Radiation Control team responding to a significant radiation emergency.
