

## **HPS-NCRP-AAHP-AAPM-CRCPD\* Webinar on Executive Orders Related to Radiation Protection**

**Moderators: Dr. Emily Caffrey, CHP and Dr. Charles Wilson, CHP**

The Health Physics Society, jointly with the National Council on Radiation Protection and Measurements, the American Academy of Health Physics, the American Association of Physicists in Medicine, and Conference of Radiation Control Program Directors is holding a webinar and open forum on the proposed rules stemming from the May 2025 executive orders (EO). The focus of this forum will be on EO14300 related rule changes.

The NRC webpage for this rulemaking can be found here: <https://www.nrc.gov/reading-rm/doc-collections/rulemaking-ruleforum/active/rule/details?id=2239>

\*Any opinions expressed during the webinar reflect the speaker, not the HPS, NCRP, AAHP, AAPM, or CRCPD.

### **Wednesday, July 15 12:00-2:00 Eastern: Executive Orders on Radiation Protection: Discussion of Proposed Rules**

**Registration link:** [https://burkinc.zoom.us/webinar/register/WN\\_0JFAhC20S6m9flscuqLLBg](https://burkinc.zoom.us/webinar/register/WN_0JFAhC20S6m9flscuqLLBg)

- Participating Society introductions (3 min each – 15 min)
- Summary of proposed rules by the moderators (15 min)
- Open discussion focusing on IMPLICATIONS of the rules for your industry, audience polling questions (1 hr 20 min)
- Summary of key recommendations and how to submit comments to NRC (10 min)

### **Rules for Participants**

By joining the webinar, you agree to:

1. Read the proposed rules prior to the webinars.
2. Adhere to the [HPS Respectful Behavior Policy](#).
3. Abide by Chatham House Rules, “participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed.”
4. Webinar participants will be allotted a maximum of 1.5 minutes to speak during the webinar. Comments and questions will be accepted via the Q&A function. Detailed comments and opinions for inclusion in the article will be accepted for **1 week** following the event (until Wednesday July 22) at [CwilsonHPS@gmail.com](mailto:CwilsonHPS@gmail.com).

The sessions will not be recorded; however, AI will be utilized to take notes. The outcome of the open forum will be a summary of findings and recommendations submitted for publication. Participants will have the opportunity to submit comments and thoughts for the paper anonymously or named as preferred.
